FINAL REJECTION

1. Claims 1, 3-9, 11-31 are presented for examination.
2. The text of those applicable section of Title 35, U.S. Code not included in this action can be found in the prior Office Action.

Specification

4. The specification is objected to as failing to provide proper antecedent basis for the claimed subject matter. See 37 CFR 1.75(d)(1) and MPEP § 608.01(o). Correction of the following is required:

Claim 9 recites “a computer-readable program stored on a tangible, recordable computer-readable medium”; however, applicant’s specification does not provide support for a tangible, recordable computer-readable medium as an embodiment of applicant’s invention.

Claim Rejections - 35 USC § 101

4. Claims 9, 11-16 and 31 are rejected under 35 U.S.C. 101 because the claimed invention is directed to non-statutory subject matter. It is directed to the program itself, not a process occurring as a result of executing the program. If a computer readable program is not executed, then it is just a program pro se, therefore it does not fall within the statutory subject matter. As such patentability can not be accorded.

Response to Arguments

5. Applicant’s arguments filed on 2/7/08, which have been fully considered but they are not persuasive.

6. **THIS ACTION IS MADE FINAL.** See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
